bites and brews

by

Welcome to Coast bites and brews, by Deep Creek Brewing Co... where the creek meets the coast.

Our intention has always been to build brew pubs of the highest quality in New Zealand. Here in Orewa, we set out to produce a vibrant, comfortable environment where locals could step away from the mass produced beers of New Zealand's market and enjoy local, small batch, hand crafted, flavour fuelled brews, with equally exciting high quality meals.

Coast by Deep Creek Brewing Co is a throwback to the days when you could head down to your local village, hang out with great friends, drink exciting brews, and eat fantastic food; all in an environment which exuded the timeless value of fine, hand-crafted quality.

We hope you enjoy sampling our products as much as we enjoy bringing them to you.

Cheers!  
The Coast Crew.
